CITIGO PERSONAL CONTRACT PLANS FROM €169

ŠKODA PCP Solutions gives you flexible finance options and the convenience of a guaranteed future value (GFV) of your new ŠKODA Citigo.

A Citigo Personal Contract Plan is based on a hire purchase agreement with a difference! At the end of your contract you may choose to change your Citigo for a brand new ŠKODA model, keep it or simply return it to your dealer.

You pay a small deposit (as little as 10% of the purchase price) and benefit from attractively low monthly instalments and a guaranteed future value of your new Citigo. What's more, the monthly rentals we have provided also include the cost of servicing for three years.

HOW DOES A PERSONAL CONTRACT PLAN WORK?

- › Receive a guaranteed future value (GFV) for your new ŠKODA Citigo to defer until the end of the agreement; this will make your monthly repayments lower.
- › Pay a deposit made up of part exchange or cash - of as little as 10%.
- › At the end of your repayment term you have three choices:
 1. Part-exchange your Citigo for a brand new ŠKODA.
 2. Pay off the optional final payment so you own the car (or refinance, subject to credit approval).
 3. Return the car to your dealer and pay nothing more (subject to acceptable vehicle condition).
