## HOW DOES A PERSONAL CONTRACT PLAN WORK?

- › Receive a guaranteed future value (GFV) for your new ŠKODA Yeti to defer until the end of the agreement; this will make your monthly repayments lower.
- › Pay a deposit made up of part exchange or cash – of as little as 10%.
- › At the end of your repayment term you have three choices:
  1. Part-exchange your Yeti for a brand new ŠKODA.
  2. Pay off the optional final payment so you own the car (or refinance, subject to credit approval).
  3. Return the car to your dealer and pay nothing more (subject to acceptable vehicle condition).
