KODIAQ PERSONAL CONTRACT PLANS FROM €359

ŠKODA PCP Solutions gives you flexible finance options and the convenience of a guaranteed future value (GFV) of your new ŠKODA KODIAQ.

A KODIAQ Personal Contract Plan is based on a hire purchase agreement with a difference! At the end of your contract you may choose to change your KODIAQ for a brand new ŠKODA model, keep it or simply return it to your dealer.

You pay a small deposit (as little as 10% of the purchase price) and benefit from attractively low monthly instalments and a guaranteed future value of your new KODIAQ. What's more, the monthly rentals we have provided (on the right) include the cost of servicing for three years.

So, whether you want to drive the latest and safest model, upgrade regularly or simply keep your new KODIAQ, ŠKODA PCP Solutions make your money go further.

Finance Example: KODIAQ 7-Seat 1.5 TSI 150bhp

On the road price	€34,245
Deposit €	€10,479.75
Optional final payment € (or GFV)	€13,398
Term (months)	36
Cost of credit €	€2,203.11
APR	3.9%
Monthly Payment including 3-years servicing	€359

*Additional equipment and optional extras may have an effect on fuel consumption and CO2 emissions. The values displayed refer to the minimum and maximum values obtained under WLTP testing. How do you benefit from Kodiaq Personal Contract Plan?

1. Drive up-to-date technology, safety and styles of latest ŠKODA models.
2. Attractively low monthly installments and deposit that can include the costs of servicing.
3. Change for a new car more often – avoid increasing running costs.
4. Afford a newer car or higher specification model.
5. No disposal concerns or costs – ability to hand-back at end of contract (subject to acceptable vehicle condition).
6. Reduce term of funding and defer decision to purchase for three years.
7. Guaranteed future value provides full protection from 'negative equity' at contract end (subject to acceptable vehicle condition).

*Additional equipment and optional extras may have an effect on fuel consumption and CO2 emissions. The values displayed refer to the minimum and maximum values obtained under WLTP testing. KODIAQ RS SPECIFICATION

STYLE EQUIPMENT PLUS
THE FOLLOWING ITEMS

The new ŠKODA KODIAQ RS goes where no ŠKODA has gone before. To complement the most powerful TDI engine we've ever built, we added a 4x4 drive system with 20" alloy wheels for sporty handling, whether you're on the road or nowhere near it. Glide in comfort thanks to a lightning fast automatic 7-speed DSG, and an equally racy, leather-Alcantara®, sports interior. No matter where you're headed, the new KODIAQ RS will get you there. Quick.

That's Simply Clever. That's ŠKODA.

The stylish look of the car is underlined by the 20" XTREME anthracite alloy wheels, which come as standard.

The upholstery, in a combination of black Alcantara® and leather with red stitching, emphasises the sporty interior.

ŠKODA Terms & Conditions

The information, images and content presented in this catalogue/brochure/price list are used for illustrative purposes only and are not intended to form part of any contract or warranty. They display pre-series left hand drive vehicles and certain illustrations, features, parts, colours and equipment may differ from the actual production cars and from what is offered in Ireland. Errors may occur and prices and specifications may change without prior notice. For exact specification and technical details please discuss with your ŠKODA dealer in advance of placing your order. All prices displayed exclude recommended delivery charge of €750. Metallic paint costs are not included and vary from model to model.

All ŠKODA vehicles produced from September 1st have been tested under the new WLTP (Worldwide Harmonized Light-Duty Vehicles Test Procedure). Fuel consumption and emission data reported in ŠKODA promotional material from 15th December displays new WLTP data. For VRT (vehicle registration tax) and Annual Road Tax purposes Irish Revenue use the previous NEDC 2.0 (New European Driving Cycle 2.0) data. Certain ŠKODA models and versions may not have final WLTP data confirmed. Please consult your dealer before placing your order.

WLTP (Worldwide Harmonised Light Vehicle Test Procedure) combined fuel consumption for KODIAQ in l/100km range from 5.3 to 9.2. WLTP combined CO2 emissions in g/km range from 128 to 217.
