OCTAVIA PERSONAL CONTRACT PLANS FROM €259

ŠKODA PCP Solutions gives you flexible finance options and the convenience of a guaranteed future value (GFV) of your new ŠKODA Octavia.

An Octavia Personal Contract Plan is based on a hire purchase agreements with a difference! At the end of your contract you may choose to change your Octavia for a brand new ŠKODA model, keep it or simply return it to your dealer.

You pay a small deposit (as little as 10% of the purchase price) and benefit from attractively low monthly instalments and a guaranteed future value of your new Octavia. What's more, the monthly rentals can also include the cost of servicing for three years as per the example on the right.

*Additional equipment and optional extras may have an effect on fuel consumption and CO2 emissions. The values displayed refer to the minimum and maximum values obtained under WLTP testing. For more information, please contact your local authorised Skoda dealer or visit the car configurator at www.skoda.ie.

OCTAVIA COMBI PRICE LIST

| Engine | | | | | | Active | Ambition | Style | RS | Scout |
|------------------------|-----------|-------------------|-----------------|--------------------------------------|----------------------|---------|----------|---------|---------|---------|
| | Fuel Type | Transmission Type | Annual Road Tax | Fuel Consumption Combined (l/100km)* | CO2 Combined (g/km)* | | | | | |
| 1.0 TSI 115bhp | Petrol | 6-speed manual | €190 | 5.2 - 6.5 | 118 - 148 | €23,025 | €25,200 | €27,050 | - | - |

HOW DOES A PERSONAL CONTRACT PLAN WORK?

- › Receive a guaranteed future value (GFV) for your new ŠKODA Octavia to defer until the end of the agreement; this will make your monthly repayments lower.
- › Pay a deposit made up of part exchange or cash – of as little as 10%.
- › At the end of your repayment term you have three choices:
 1. Part-exchange your Octavia for a brand new ŠKODA.
 2. Pay off the optional final payment so you own the car (or refinance, subject to credit approval).
 3. Return the car to your dealer and pay nothing more (subject to acceptable vehicle condition).

Finance Example: Octavia Active 1.0 TSI 115bhp

| | |
|---|-----------|
| On the road price | €22,775 |
| Deposit | €6,875.73 |
| Optional final payment (or GFV) | €8,369.50 |
| Term (months) | 36 |
| Cost of credit | €1,440.59 |
| APR | 3.9% |
| Monthly Payment including 3-years servicing | €259 |

*Additional equipment and optional extras may have an effect on fuel consumption and CO2 emissions. The values displayed refer to the minimum and maximum values obtained under WLTP testing. For more information, please contact your local authorised Skoda dealer or visit the car configurator at www.skoda.ie.

ŠKODA Terms & Conditions

The information, images and content presented in this catalogue/brochure/price list are used for illustrative purposes only and are not intended to form part of any contract or warranty. They display pre-series left hand drive vehicles and certain illustrations, features, parts, colours and equipment may differ from the actual production cars and from what is offered in Ireland. Errors may occur and prices and specifications may change without prior notice. For exact specification and technical details please discuss with your ŠKODA dealer in advance of placing your order. All prices displayed exclude recommended delivery charge of €750. Metallic paint costs are not included and vary from model to model.

All ŠKODA vehicles produced from September 1st have been tested under the new WLTP (Worldwide Harmonized Light-Duty Vehicles Test Procedure). Fuel consumption and emission data reported in ŠKODA promotional material from 15th December displays new WLTP data. For VRT (vehicle registration tax) and Annual Road Tax purposes Irish Revenue use the previous NEDC 2.0 (New European Driving Cycle 2.0) data. Certain ŠKODA models and versions may not have final WLTP data confirmed. Please consult your dealer before placing your order.

WLTP (Worldwide Harmonised Light Vehicle Test Procedure) combined fuel consumption for OCTAVIA in l/100km range from 4.3 to 8.5. WLTP combined CO2 emissions in g/km range from 113 to 196.
